DISCLAIMER: Ayelet Tours and our partners act only as agents for the tour members in making arrangements for hotels, transportation, touring, restaurants or any other services in connection with the itinerary. We will exercise reasonable care in making such arrangements. However, we do not assume any liability whatsoever for any injury, damage, loss, accident, delay or irregularity to person and property because of an act of default of any hotel, airline carrier, restaurant, company, or person rendering any of the services included in the tour. The right is reserved to cancel or change itineraries, speakers or scholars or operations staff or to substitute comparable service without notice. The right is reserved to decline to accept or retain any tour passengers should such person's health or general department impede the operation of the tour to the detriment of the other tour participants.

TRAVEL INSURANCE is recommended, and we offer a group plan through Travelex. Some countries may require proof of policy. Requests are noted but cannot be guaranteed. Some tours offer a discount if paying by check. For those tours, no discount will apply if paying by credit card.

-Regulations state that your passport must be valid for 6 months past your travel dates, and have space for the new VISA stamps.

-Notice for Israeli Passport Holders (traveling to Israel only): VAT is charged to anyone holding or who has held Israeli citizenship or was ever a resident for more than 90 days according to the B2 visa provided at passport control upon entering Israel. VAT will be charged to your credit card upon request by suppliers. Non-Israeli citizens should retain the B2 visa to present, as needed.

-Risk of exposure to COVID-19 exists in any public place where people are or have been present. COVID-19 is a contagious virus which can lead to severe illness or even death. Senior citizens and guests with underlying medical conditions are particularly at risk according to the CDC. By participating, you voluntarily assume all risks related to exposure to COVID-19.

CANCELLATIONS/REFUNDS: No land penalty if canceled 121 or more days before departure for payments by check (for credit card payment, minus \$25 per person non-recoverable cost), plus any applicable airline penalties. \$250 per person charged if canceled 120 to 91 days prior to departure, plus any applicable airline penalties. \$500 per person charged if canceled 90 to 31 days prior to departure, plus any applicable airline penalties. 100% per person charged if canceled 30 days or less before departure. If purchased, group travel insurance policy becomes non-refundable 90 days before departure. If you confirm a seat on our group air allotment, and then cancel that space within 90 days of departure (even if still traveling on the land portion of the tour), airline penalties will apply. Certain tours may have different policies. If so, those supersede what is listed here, and will be listed on the tour registration form and confirmation letter. Should the cancellation policy be updated, new registrations received after that change will be subject to updated rules. Refunds generally take two to four weeks to process. (3681)
